

R10-0917

Recommended Use. Take 2 tablespoons, 2 times daily blended in 8 oz. of water, juice or mix with homemade kefir (our favorite). For special programs recommended by your practitioner, up to 6 individual servings may be taken daily. (1 serving = 2 tbsp.) May also be blended in cereal, sprinkled on desserts, etc.

- Premier quality whey protein, produced by ultrafiltration at very low temperatures to preserve the delicate, health-promoting glycomacropptides (25%, 3 grams per serving) - *unlike other products that may have less than 10% or no glycomacropptides*
- Promotes healthy immune support, high energy, muscle mass and anti-aging
- Superior purity: Not highly heated; guaranteed pesticide-free
- Great taste: the perfect protein for your daily shake
- Experience the difference of **Quantum Whey Protein Powder** which readily mixes with liquids
- Violite™ Protected: Patent-pending dark violet bottle; proven to block light between 450-720 nm, the range known to damage nutrients

Our Quality One Gurantee: No magnesium stearate (an undesirable excipient), corn, soy, sugar, wheat, yeast, artificial colors, flavors or preservatives. Store in a cool, dry place.

Keep out of reach of children.
