

R11-0629

**Recommended Use.** Take 1/2 teaspoon at breakfast daily with food.

*Carnosine is a dipeptide formed from two amino acids, beta-alanine and L-histidine, naturally found abundantly in brain and muscle tissues.*

- Advanced cellular support with important antioxidant properties that help protect cell membranes from oxidative stress\*\*
- One of the best known glycation agents the body naturally produces which offers premier anti-aging support\*\*

Since Carnosine is not available in a plant-based diet, it is a good choice for vegetarians.

Keep out of reach of children.
