

R10-0914

Recommended Use. Take 2 capsules daily for the first 2 months. Then take 1 capsule daily thereafter.

For over 30 years, only European women knew that special, clinically tested nutrients were the secret for naturally reducing unsightly veins while promoting venous tone and overall blood circulation in the legs.** Now this fabulous formula is available to everyone.

Invisi-Vein™ features **Dio-Max™** (500 mg/cap), two highly effective bioflavonoids, diosmin and hesperidine, coupled with **Dio-Pro™** to promote healthy vein capillary and artery tone and skin rejuvenation.**

Enjoy healthy, smooth-looking legs again!**

Keep out of reach of children.
